The Honourable
The Minister of the Interior.

MEMORANDUM OF AGREEMENT between the Honourable Arthur Meighen, Minister of the Department of the Interior, on behalf of the Government of the Dominion of Canada, and the Honourable Charles Stewart, Premier, on behalf of the Government of the Province of Alberta, entered into this [illegible] of October, 1919.

WHEREAS the Government of the Dominion of Canada and the Government of the Province of Alberta recognize that a serious situation exists in a portion of the Province of Alberta, owing to the recent severe drought and consequent crop failure, and that the settlers in the areas affected are in many cases in need of certain relief by way of provisions and fuel, as well as fodder for animals.

AND WHEREAS the Governments aforesaid have undertaken to provide such relief to the said needy settlers affected on the terms and in the manner hereafter set forth:

THEREFORE, it is agreed by the said Minister of the Interior and by the said Premier of the Province of Alberta as follows:

(1) That the Government of the Province of Alberta will undertake the distribution of relief to said settlers whether owning their land or holding the same under entry from the Dominion of Canada and in accordance with their necessities.

(2) The respective Governments aforesaid will each bear one-half of the amount of such relief and for such purpose the Government of the Dominion of Canada will from time to time and upon the request of the Government of the Province of Alberta pay over to the latter the necessary funds to meet its one-half share of the total amount of relief as provided; it being understood, however, that no part of the expense of the administration in connection with the distribution of such relief is to be borne by the Government of the Dominion of Canada.

(3) The security of liens taken for relief advances shall be in favour of the Government of the Province of Alberta, except in cases where relief is being extended to settlers upon unpatented lands, in which event the security or liens on such unpatented lands shall be in favour of the Government of the Dominion of Canada.

(4) If relief is provided by a municipality and the Government of the Province discharges a liability for the actual amount of such relief or part thereof incurred by the guarantee of such municipality, the Government of the Dominion of Canada will pay the Province one-half of the amount paid to discharge such liability and thereafter one-half of any amount collected by the Province in respect of such relief or the security taken therefor shall be paid to the Government of the Dominion of Canada, and where money is collected either by the Government of the Dominion of Canada or by the Government of the Province of Alberta in respect to other advances made under this Agreement, the Government making such collection shall pay one-half of the same to the other Government.

(5) No discharge or partial discharge should be given of any security except by mutual consent of the Premier of Alberta and the Minister of the Interior or of persons acting in the principles to be hereafter mutually agreed upon.

(6) The nature of relief to be distributed and the amount of money to be expended thereon, as well as the evidence of debt and

Minister of the Interior.

(7) All securities taken for the above purposes shall carry a rate of interest of seven per centum (7%) per annum.

(8) The Minister of the Interior and the Premier of the Province of Alberta will undertake to have an Order-in-Council passed as soon as possible by their respective governments to ratify the agreement herein, and the Minister of the Interior and the Premier of the Province of Alberta will undertake to have their respective Governments pass at their next session of Parliament, the necessary legislation approving, ratifying and confirming the Order-in-Council and agreement made for the purposes aforesaid.

COPY FROM GAZETTE

Certified to be a true copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Governor General, on the 15th November, 1928.

The Committee of the Privy Council have had before them a report, dated 2nd November, 1928, from the Minister of the Interior, submitting:

That application has been made by the Lethbridge Northern Irrigation District to acquire the northwest quarter of section 31, township 11, range 20, west of the 4th meridian, area 160 acres, in connection with the said Lethbridge Northern Irrigation scheme;

That under the provisions of The Dominion Lands Act, the Governor in Council may authorize the Minister to include in any block of land sold or to be sold to any person for the purpose of irrigation, or in any lands which have been or which may be set aside for the purpose of an Indian or other public reserve, or have been or may be reserved for any other purpose which the Minister considers to be in the public interest, lands which under the provisions of this Act are School Lands, or lands which upon survey will become School Lands; but no such block of lands so sold or to be sold for the purpose of irrigation, or lands so set aside and reserved or to be set aside and reserved for any of the purposes aforesaid, shall include School Lands, or lands which upon survey shall become School Lands, until other Dominion Lands of equal value, as nearly as may be, have been selected in lieu thereof; and when other Dominion Lands have been so selected and have been designated by the Minister as "School Lands" they shall thereafter be and become School Lands and be dealt with in the same manner as ordinary School Lands are dealt with under the provisions of this Act;

That the School Lands referred to herein have been inspected by an officer of the Department of the Interior and have been valued at $8 per acre;

That in lieu of this quarter section the Inspector has tentatively selected the southeast quarter of section 28, township 1, range 20, west of the 4th meridian, which quarter-section comprises an area of 159 acres and has been valued at the rate of $8 per acre; and

That the School Lands proposed to be surrendered and the Dominion Land proposed to be selected in lieu thereof are practically of equal value, as nearly as may be.

The Minister, therefore, recommends that the School Land referred to herein be surrendered from the School Land Endowment and the Dominion Land, also referred to herein, be selected and set aside as School Land in lieu thereof.

The Committee concur in the foregoing recommendation and submit the same for approval.

Certified Extract from the Minutes of a Meeting of the Treasury Board, held on the 12th October, 1923.

approved by His Excellency the Governor General in Council, on the 18th October, 1923.

INTERIOR

The Board had under consideration the following report from the Honourable the Minister of the Interior:

At an auction sale of School Lands held at Lethbridge on the 6th July, 1909, Mr. William Robert Bulmer purchased the South West quarter of Section 5, Township 12, Range 21, West of the 4th Meridian at the rate of $13.50 per acre on the usual terms governing the disposal of School Lands at public auction.

All instalments are now past due and there are owing as on the 6th July, 1923 the following amounts:

Principal,.....$1,728.00
Interest,.....$1,623.18

In August 1912 an assignment from William Robert Bulmer to Daniel Cameron of the former's interest in the land was duly registered in the Department and Entry for the land now stands in the name of Mr. Daniel Cameron.

Since acquiring the land the annual statements of account have regularly been mailed to Mr. Cameron and in addition thereto several communications addressed to him demanding payment of the arrears owing.

As he failed to meet the demands of the Department for payment after several extensions of time had been granted him for the purpose, he was notified under date of the 6th February, 1923, that a final period of thirty days from that date would be allowed within which to make a substantial payment on account or to show good and sufficient reason why the sale should not be cancelled for non-fulfilment of contract.

Mr. Cameron failed to acknowledge this communication or to make any payment whatever and Mr. Frank A. Collins, Supervisor of School Lands, was therefore instructed to have an Appraiser inspect the land and report in regard thereto.

In a report furnished by Appraiser Drew it is stated that the only improvements upon the land consist of

some fencing, and in view of the statements contained in the report, and furthermore, as the purchaser has taken no action to protect his interest in the land, the Minister recommends that the sale comprising the South West quarter of Section 5, Township 12, Range 21, West of the 4th Meridian recorded in the name of Mr. Daniel Cameron, be duly cancelled forthwith.

The Board concur in the above recommendation and submit the same for favourable consideration.

Clerk of the Privy Council.

And whereas an officer of the Department of the Interior has inspected the lands proposed to be surrendered as well as the lands to be selected in lieu thereof and has reported that these lands are of equal value as nearly as may be.

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of the Interior, and in view of the facts set forth herein, is pleased to order and it is hereby ordered that the School Lands referred to herein be surrendered from the School Endowment and that the Dominion Lands also referred to herein, be selected and set aside as School Lands in lieu thereof.

Mr. Gliddon,-

In a re-location for Patent on the 7th October, 1911, Plat No. 21,201, the name of the Patentee was given as Mike Veselak, whereas it really should have been Mike Veselenak.

The land was that part of the South West Quarter, West of Selly River, of Section 11, Township 9, Range 28, West of the 4th Meridian, containing sixty three acres. In this Patent to be recalled and a new one with the correct name issued

It is hardly likely that the Registrar should refuse this application as it has been referred to him by the Patentee's solicitors. If however he should refuse the application the Patent will be cancelled on a certified copy thereof [illegible] one issued [illegible]

OTTAWA, December 6th, 1916.

Gentlemen, - Re pt.S.E.¼ 29 - 9 - 23 W.4th Mer.

I beg to acknowledge the receipt of your letter of the 24th September, 1916, enclosing an assignment in duplicate from David Pelletier to the Board of Trustees of the Lethbridge Northern Irrigation District, comprising an area of 0.93 acres, in the above portion of quarter-section, as shown on plan of record in the Land Titles Office for the Southern Alberta Land Registration District as Irr. 905, and all that portion of said quarter-section, lying North of the canal right-of-way, and containing a further area of 3.53 acres, together with your cheque for the sum of $168.95.

In reply I beg to state that the assignment has been duly registered, and I now enclose receipt No. 16879 A. for the sum of $3.00, applied as registration fee, and receipt No. 16878 A. for the sum of $165.95 to cover the balance of the payment.

As the blue print of the plan furnished by the Reclamation Service of this Department did not clearly define the area taken for canal right-of-way nor show the area lying North thereof, which is being assigned, the matter was submitted to the Reclamation Service for further consideration, and it is now pointed out that the description of the land conveyed in the assignment does not agree in detail with the area required for right-of-way, as shown on the blue print certified to be a true copy of Plan Irr. 905 and numbered in the Reclamation Service as 390-C-51.

Enc.

It is further set out that the blue print referred to is the only right-of-way plan on record in the Reclamation Service showing the canal right-of-way in the quarter-section, and in view of this fact the Reclamation Service is writing to the Commissioner of Irrigation at Calgary, requesting him to have an examination of the original plan registered as Irr.905 made at once, in order to ascertain whether the copy on file here is correct in showing the canal right-of-way and the land lying between this right-of-way and the centre of Section 29 all in one block.

When a reply is received from the Commissioner you will be further communicated with in regard to the matter.

Gentlemen,

I am directed to inform you that the assignment from the Alberta Securities, Limited to the Chinook Coal Company, Limited, of its interest in a portion of the South West quarter of Section 29, Township 9, Range 22 West of the 4th Meridian, comprising the land included in the right of way of Chinook Spur Line from Kipps to the Mines has been duly registered in the Department, and the entry for the land comprised in the right of way now stands in the name of the Chinook Coal Company, Limited.

It is observed, however, that while the assignment gives the area of the right of way of the spur line through this quarter-section as 1.03 acres, the plan shews the area to be 1.05 acres, and it will therefore be necessary to have one or the other changed so that the areas may agree.

I am further to say that the purchase price of the 1.03 acres in question at $52.00 per acre amounts to $53.56 principal, and interest on that sum from the 6th July, 1911, to

Certified copy of a Report of the Committee of the Privy Council approved by His Excellency the Governor General on the [illegible] March 1917

PRIVY COUNCIL
CANADA

The Committee of the Privy Council have had before them a report, dated 21st March, 1917, from the Minister of the Interior, submitting that the Alberta Securities, Limited, purchased at the auction sale of school lands held at Lethbridge on the 6th July, 1909, the portion of the southwest quarter of section 29, township 9, range 22, west of the 4th meridian, lying east and north of the Canadian Pacific Railway, comprising 103.63 acres, more or less; that an assignment from the Alberta Securities, Limited, to William Ingram of their interest in this land was subsequently registered in the Department ofthe Interior and the entry for the land mentioned now stands in Mr. Ingram's name.

The instalments are now a long way in arrears, there being due on the 6th July, 1916, when the eighth instalment became payable, the sum of $4,617.68, principal and interest, covering the instalments of some seven years.

Mr. Ingram's attention has repeatedly been called to the fact that payments are in arrears, and he was finally notified by letter of the 14th December last that he would be allowed a period of sixty days from...

The Committee

The Minister of the Interior

from that date within which to make at least a substantial payment on account, and that, should he fail to do so within that time, the Department would be obliged to cancel the sale without further notice.

The Minister states that an inspection was made of this land and the inspector, Mr. J. F. Drew, reported that there are no improvements on the land and that it was evidently purchased for speculative purposes, as a portion of it was subdivided into lots, and the Inspector recommended the cancellation of the sale.

As no reply has been received to the Departmental letter of 18th December last, and as no payments have been made, the Minister recommends that he be authorized to cancel the sale to William Ingram of the portion of the southwest quarter of section 29, township 9, range 22, west of the 4th meridian, lying east and north of the Canadian Pacific Railway, comprising 103.63 acres, more or less, for non-fulfilment of contract.

The Committee concur in the foregoing recommendation and submit the same for approval.

The Minister of the Interior, under date the 15th September, 1913, submits that the Northeast quarter of Section 29, Township 10, Range 22, West of the 4th Meridian, stands as a sale in the name of Mr. Ross M. Sherwood of Ames, Iowa. Under the terms of the sale the instalments of principal must be paid in full each year with the interest due on the balance of the purchase money remaining from time to time unpaid, at the rate of 5% per annum.

The Minister states that on the 6th August, when the 5th instalment became due, there was owing the sum of $1621.80 principal, with $547.35 interest to that date, and interest from that date to the date of the receipt of payment here at the rate of 5% per annum on the outstanding principal of $3649.05. In accordance with the request of Mr. Sherwood, he was granted by letter of the 29th July, 1913, an extension of time until after this harvest within which to make a substantial reduction of his indebtedness. Mr. Sherwood, however, now writes to the Department of the Interior to the effect that he finds he is unable to keep up the payments on this land and that he has decided to allow the Government to take the quarter section over.

The Minister recommends, under these circumstances, and as the sale is liable to cancellation in default

JOS. P. D.

The Minister of the Interior, under date 1st. April, 1914, reports that the South East quarter of Section 11, Township 10, Range 23, West of the 4th Meridian was sold at public auction on the 6th July, 1909, to Mr. George Anderson of Winnipeg.

The Minister states that the instalments on this land are now a long way in arrears, there now being due over four years' instalments of principal, besides the interest accrued;

That Mr. Anderson's attention has repeatedly been called to this, and that he now writes to the effect that he desires the cancellation of the sale, as he is unable to complete the payments.

The Minister, therefore, recommends that he be authorized to cancel the sale of the land in question, the South East quarter of Section 11, Township 10, Range 23, West of the 4th Meridian for non-fulfilment of contract.

The Committee advise that the requisite authority be granted.

as the receipt is made out at $10.25 per acre, and the Return of the sale calls for the same sum.

Of course, if we alter the price as sold at public auction it is tantamount to making a refund of a portion of the money.

This is the first case that I know of where this has occurred.

You may in any case think it ... able to have a report from Mr Ingram before taking any further action.

Memorandum:

I submit, herewith, the complaint of Joseph Lockwood in regard to the purchase of the N.E. ¼ of section 28--36--20 west of the 4th meridian, at the Stettler sale.

You will see that Mr. Lockwood states that the land was put up and knocked down to him for $7.00 per acre; that he went up to the table and paid his deposit, and was about to take the receipt for it when a man came forward and said that he had bid.

The Auctioneer stated that he did not hear him, and Mr. Lockwood says that no one else, as far as he can ascertain, heard him.

The land was, however, put up again, and this time the other bidder ran it up to $10.25, at which price Mr. Lockwood bought it.

He claims that this transaction was not a fair one, as no one else had heard this man bid, and the Auctioneer had stated that he was too long about making his protest.

The case certainly seems a hard one, but the question is whether we have the power now to alter the price at which the land was finally sold,

Sir,

I enclose, herewith, for your perusal copies of two letters from Mr. James L. Lockwood, dated respectively the 29th of October and the 8th of December, in connection with his purchase at the Stettler sale of the northeast quarter of section 32, in township 33, range 20 west of the 4th meridian.

Encl.

In answer to the first letter Mr. Lockwood was advised that as the land was put up a second time and finally knocked down to him at $10.25 per acre, and the receipt issued therefor and the sale of the land reported at that figure, the Department could not see its way to change the price.

Mr. Lockwood now however writes again in the matter, and the Deputy Minister would like a full report from you in regard to his statements.

bid, and he got the land. As far as I could see at the time, the other gentleman was a legitimate buyer and wanted the land.

At almost every sale where there is a large crowd in attendance, we invariably have two or more bidders come forward thinking that it is their bid, and in every instance we immediately put up the parcel again, which I think is the only fair and just way to settle the dispute. At the opening of each and every sale I have the Auctioneer announce that the sale will be conducted under the ordinary rules of Auction Sales, and that where a dispute arises between two or more bidders, or a bidder and the Auctioneer, that the parcel will immediately be put up again. After having this announced before all sales, I have always carried out this rule, and in this case do not wish to make a precedent of deviating from this rule.

The gentleman who bid against Mr. Lockwood stated when he came forward that he had bid $7.00 and I could not dispute his word, and had the parcel put up again. Mr. Lockwood states in his letter that his cheque was not returned to him before the land was again offered for sale. In this he is wrong as I had the cheque in my hand and simply laid it on the table and waited to see if Mr. Lockwood would be the purchaser. You will quite understand where there is a large crowd in the hall, moving around and talking more or less all the time, that it is very hard in all cases to catch the bid, and very often we have two bidders come forward thinking that that was their bid. This happens in

all Auction Sales and can not be avaided. In regard to the statement of Mr. Lockwood, that his oponent was the worse of drink at the time, I can not say anything about that. He seemed to be perfectly sober and acted as if he wanted to purchase the land.

This is a fair and honest statement of the facts in connection with this case, and can be varified by Mr. Norris, the Auctioneer, and Mr. Rollins, the clerk, and others that were in the hall at the time, and after having stated at the opening of the sale that we would follow these rules, I can not very well do anything else under the circumstances.

Trusting this may prove a satisfactory explanation, I remain.

Your obedient servant,

Signed, W.M.Ingram.

Dear Sir,

I beg to acknowledge receipt of your favor of December 6th. enclosing a letter from Mr. Joseph Lockwood, of Ewing P.O. Alta. to Dr. Clark, M.P. and beg leave to submit the following facts in connection with this case:-

I remember very well the circumstances under which Mr. Lockwood purchased the North East quarter of Section 29, Township 36, Range 20 West 4th. at the Stettler sale on October 22nd. last. I engaged the largest hall in Stettler. It was a very dark and dull day, and we had to light some of the lamps in the building in which we held the sale. The hall was seated with chairs which were movable, and was very crowded, so that when a person at the back of the crowd bid on a piece of land and it was knocked down to them, it took considerable time in some instances for the buyer to get up to the desk to make a deposit. In the case of Mr. Lockwood, he was seated pretty close to the front of the hall, and when this quater was offered he bid on the land and it was knocked down to him at the upset price. He immediately came forward to the table where Mr. Hollins and myself were sitting, and handed me a cheque and Mr. Hollins took his name. After I looked at the cheque to see if it was alright, I laid it down on the table before him and asked him to endorse it. Just while he was doing this another gentleman made his way up through the crowd and made a claim that he thought that this was his bid also. I immediately informed Mr. Lockwood that there were two buyers claiming the one bid, and that we would have to put the parcel up again. I did so, and the land was bid up to $10.25 per acre, which was Mr. Lockwood's

This is another letter from Mr. Joseph Lockwood in regard to his complaint that the N.E. ¼ of Section 20--76--20 W. 4th Mer., was put up again after it had been passed down to him, and he had tendered his cheque in payment.

You will see on file a letter from the Minister, dated the 16th of February last, advising Mr. Lockwood that he was unable to see that he could do anything on his behalf in view of the position of Mr. Inness in the matter.

Mr. Lockwood, however, claims that the facts have not been fully presented to the Minister, and submits the names of certain persons who, he states, are in a position, and are willing, to make statements supporting his contention.

As, however, the case was put before the Minister and decided by him at an advanced price, I do not see that it is possible for us to do anything in the matter now.

In re the North East quarter of Section 29, Township 36 and Range 20, West 4th Meridian.

I, Joseph Lockwood, of Ewing in the Province of Alberta, Rancher, do solemnly declare as follows :---

1. That this declaration is made for the purpose of protesting and I do hereby protest against the payment of the purchase money for the above quarter-section so far as regards any sum or sums whatsoever, in excess of Seven (7) dollars per acre, not only concerning this payment of two hundred and thirty-seven dollars and eighty cents ($237.80), that accompanies this declaration, but also in regard to all future payments, in excess of Seven dollars ($7.00) per acre.

2. That at the public sale of school lands held in Stettler on the twenty-second day of October, 1909, the land was put up and sold, and knocked down to me for $7.00 per acre. My endorsed cheque was accepted, and a receipt was made out for the same, at the rate of seven dollars per acre.

3. That some person in attendance on the auction having made the claim that he had bidden upon the land, the land was put up again at public competition.

The person claiming to have made the bid, did notmake any pretence of having bidden over me, nor did Mr. Morris, the auctioneer, nor Mr. Ingram hear any other bid than mine, nor did it appear than any other person present heard any other bid than mine, nevertheless, the bald statement of the person unsupported who professed to have bid, was taken without investigation.

4. Mr. Ingram retained my deposit as aforesaid on the said lands, and caused it to be put up for sale again, and I have documents in my possession signed by well-known gentlemen

who were present at the sale, that mine was the only voice that had bidden on this particular lot when it was knocked down for sale , and the auctioneer Mr. Ferris, the clerk Mr. Holands, and Mr. Ingrum, also stated at the time that they had heard no other bid than mine.

5. That for the above reasons I hereby protest strongly against paying the difference between $7.00 per acre, and $10.25 per acre, for the said quarter section, and shall continue to press my claim to the extent of possession , or having the matter brought before parliament.

AND I MAKE THIS SOLEMN DECLARATION conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath, and by virtue of The Canada Evidence Act, 1893.

Sir,

With reference to the protest filed by you under date of the 26th ultimo with respect to the Sale of the North East Quarter of Section 24, Township 36, Range 20 West of the 4th Meridian, I beg to say that the Department regrets that it cannot see its way to alter the decision already arrived at in the matter, as there can be no doubt that there was a claim made that there was a other bid at the same time as yours for this land at the auction sale, and as the practice of the Department in cases of this kind required that the parcels shall in that event be put up again, the Officer in charge of the sale had no option but to offer the parcel once more. Had the Officer in charge of the sale refused to accept the other bidder's protest and had closed the sale to you at $7.00 per acre, the other bidder would have had grounds for complaint against the Department and the Government would be subject to accusation for having sold the land for less than its value.

Dear Sir,

In reply to your letter dated November 11th, in which you say there was no doubt there was a bid at the same time as mine on the North East quarter of Section 29, Township 26, Range 20, west of the 4th Meridian. will you kindly send me the names of the same; as an Officer of the Company, I can say that no such bid was ever made by me, nor by any one authorized by me to make it. Having my interest and reputation at stake in this matter, I must insist upon a full & fair investigation. This question in this connection has been raised before. Why not? No one else in the hall heard a voice raised other than mine at the time - the Auctioneer heard no other bid. He said so.

Mr Ingram heard no other [illegible]. He [illegible]
to [illegible] likewise Mr Collins
[illegible] have documentary proofs, signed by
Mr Ingram & other well known [illegible] Citizens,
which were given to Colonel Talbot by
Mr Ingram. These Gentlemen were all present
at the time & they have certified in their
Documents that there was no [illegible]
in the mine at that time.
Does the Government think that Gods
Gentlemen will support those Documents,
without their names to it? This is
but is the Gentleman who will [illegible]
the only truth at last? This has been
done the Court. I strongly [illegible]
the Government that there was no
life in the mine [illegible]
but men, [illegible]
[illegible]
[illegible]
was spent [illegible]
[illegible]
[illegible]
[illegible]
[illegible]
[illegible]

no Crowd at the Time - but 5 or 6 Parcels [illegible] then again had Mr Ingram any right to keep my cheque? All the Time he held my cheque the Land was mine & the Cheque was a receipt. There must be a limit to the auctioneers announcement holding good & the limit is surely reached when money has been accepted. The Government valued the Land at £7 per acre & anything over that sum is above the value the Government put on the Land. If this is not so, why were parcels of Land, which were not sold on during their legitimate sale, offered again by request & disposed of at the upset price.
The Department has no right to say one was another bidder if they have nothing other than Mr Ingram's report, which is most misleading, to support it. In his report Mr Ingram says he (the Gentleman said £7) if this was so I had the first bid, as I stood up & in a loud voice

ordered. How was it he understood did not hear the man tell him as no noise to prevent him hearing any but that was made. The Station Hand was a small one and he was standing on a raised platform and had a good view of all parts of the yard. Mr Ingram could not see what was going on. Mr Ingram took no other notice was told before he spoke heard nothing but that man order did any other person speak but my self and that man, yet without any question this man's word was taken and my hand was put up for me again. Mr Ingram retaining my cheque. I ask you how in the name of justice why should 10 £ 25 per acre, when I had bought the land for seven pounds per acre. In a letter addressed to Mr Cook. No. 1 for field Lot dated December 17th signed by you it stated that my case was being investigated, yet all the investigation that was done was to send my letter to Mr. Ingram and he sent a report and on that report you gave your decision, compare the report of Mr. Ingram with the letter who signed by

well known gentleman of this district, well known to Mr. Taylor Mr. J. P. and Mr. Shaw. M. C. who would not have signed the documents in the statement. Herein was not true as you will see how misleading Mr. Ingram's report is. Mr. Ingram does not deny having my deposit when my bid was put in the sale, did he not on a legal man say he refuse my deposit, and strongly protest against paying anything more than seven dollars for me for the land as it would be meat that price, as I have proved by some of the gentlemen present. Mr. Taylor the Clerk of the sale that mine was the only bid upon the land as first offered for sale. Therefore the man had a right to dispute my purchase, the man did not bid on the land as somebody would have heard him bid, so there could be no legal dispute between two bidders. In the list of terms of sale one of the terms are upon a parcel of land being knocked down the purchaser shall immediately deposit the sum of One Hundred Dollars with the clerk of the sale, and this done and I should like to be shown under what—

instructions and entire of the Department
my land was put up for sale & I had
made a payment on it some time ago
public sale the man's patent would not
be allowed, my case was an exception as
of a man coming forward after the land
had been sold and part of the purchase
paid and accepted and I promptly protest
against the treatment I have received and
shall continue to protest with every means
in my power till I receive justice

Yours respectfully

DEAR SIR:

Herewith two more letters from Mr. Lockwood in regard to the purchase of the N.E.¼ 29--4, --20 W 4. The facts are set forth in my memo of the 6th to the Minister to the Deputy Minister, and also in Mr. Newcomb's memo. of 30th September, as also in Mr. Lockwood's letter of the 11th September, 1906.

Mr. Lockwood is mistaken in stating that we had a map before us at the time between that time and the same time as this.

What we did was that owing to both claims being made that there was another plan at the same time, we sent it [illegible] with the map to Ottawa to put the land up [illegible] with the usual practice. I answered both letters in this way.

I have read the correspondence relative to the case and I am not aware of any reason why the patent should not issue.

Sir,

Referring to your letter of the 21st ultimo in connection with the purchase by you of the N.E. quarter of section 36, in township 2, range 20 west of the 4th principal meridian, I regret to say that the Department cannot see its way to alter the decision already arrived at in the matter.

It is observed that in your letter you quote the Departmental letter of the 14th of November last as stating that there was no doubt there was a homestead entry on this land.

If you will look at the letter in question, however, you will see that it does not make that statement, but it says in effect that there can be no doubt that a claim was made that there was another homestead at the same time as yours, and in view of such claim the Officer in charge of the Land Section was, in accordance with the practice at all such times, to put up the land again.

Sir,

I have your letter of the 23rd Jan't last which refers me to your previous letter of the 11th Dec'r last file No 35370 SL. in which you state that you do not think that there was a claim made & that there was no affidavit of the Pioneer sent in, but you do not notice that any proof of the Settlement therefor has been sent in to prove to your satisfaction that any such claim could be made. No land will be made at the Same time as I am so, I have already proven by documents signed by Pioneers men of the district that there was no other but Ray made

before the Land was transferred from
the first Land, these Documents were given
to Senator Talbot by Mr Cowan &

have they been returned, and
Senator Talbot told us on the

there was a claim made but
Mrs Cowan was told we would

one present when the Land
was bid, the auctioneer did not
hear the reserve bid for the Land
SO, is not this proof we shall
neither did Mr Jacobs, Mr
Mr Travers.

The only conclusion I can arrive at is that you are forming your decision upon the Telegram. false and unfounded report which I have proved by documents to be false.

Your letter of the 23rd of January last is a unfriendly and disagreeable one & I think that it is your place that want to open and before making such a communication and granted that I did make some remark to you if you had taken in a manly notice of the same improved and have facts then might have been settled — Some credit to the statement I have laid off, and it is strange you continue to repeat it. MEMORANDUM:

Here is another letter from Mr. Lockwood.

You will, no doubt, remember this case, where a parcel was put up at auction and knocked down to Mr. Lockwood at $7.00 per acre, but before the receipt had been issued to him for the cash payment, a man came up to the desk claiming he had bid at the same time as Mr. Lockwood. Mr. Ingram in accordance with his usual practice then put up the parcel again, and it was knocked down to Mr. Lockwood at $10.25 per acre.

The matter has been up repeatedly, and it has invariably been decided to stand by Mr. Ingram's action in the matter.

The present Letter from Mr Lockwood is in reply to the usual statement of account sent him, and he states in it that he protests against paying on this land any more than the original price at which it was first knocked down, namely, $7.00 per acre.

I presume that we can only inform him that we cannot alter the decision arrived at in the matter, and that if he does not intend to pay the ~~payments~~ as

Statutory Declaration.

CANADA

IN THE MATTER OF THE SALE OF THE NORTH EAST QUARTER OF SECTION Twenty-nine (29), Township Twenty (20), Range Thirty-six (36), West of theFourth Meridian.

I JOSEPH LOCKWOOD,

of Ewing,

Farmer, in the Province of Alberta, do solemnly declare:

1. That I attended the Auction Sale of the Above Public School land held in Stettler, Alberta, on the 22nd day of October, 1913, when the above mentioned quarter Section was put up for sale and after the same had remained on sale for some time the said quarter Section was knocked down to me by Mr Nordin for the sum of $7.00 per acre.

2. That before said land was knocked down to me as aforesaid I was the highest and best bidder for the said land at said sale.

3. Immediately after said land was knocked down to me I paid $1000.00 on account of the said purchase price.

4. After the said land was knocked down to me as aforesaid and my deposit paid as aforesaid the said Auctioneer at the request of one of the parties attending said sale put this land up for sale a second time and fearing to loose the deposit I had already paid I bid on the said land again and same was knocked down to me at the price of $10.00 per acre.

And I make this solemn declaration conscientiously believing the same to be true, and knowing that it is of the same force and effect as if made under oath, and by virtue of The Canada Evidence Act.

Declared before me at Stettler,

in the Province of Alberta, this

he may have made. You will see from his present letter that he says that we stated in ours of the 11th November, 1910, that there was another bid and he wants to know on what authority we make that assertion. That statement was not made, what was said was simply, that a claim was made to that effect, consequently the land was put up again. Possibly you may wish to refer the case to the Minister.

MEMORANDUM:

This case of Mr. Lockwood has been up repeatedly, and we have always informed him that it is impossible now to reduce the price from $10.25 to $7.00 per acre. The land was put up at the auction sale held at Settler on the 22nd October, 1909, and was knocked down to Mr. Lockwood at the upset price of $7.00 per acre and he came forward to hand in his cheque, but before the receipt was made out another man came forward and claimed to have bid the same amount at the same time. The land was, therefore, in accordance with the usual practice put up again, and was run up to $10.25 at which it was knocked down to Mr. Lockwood.

He claims, however, that there was no other bid, and that the land was practically sold to him when it was first put up at $7.00 per acre. The matter was referred to Mr. Ingram, who was in charge of the sale, and you will find his report marked on this file. I don't see how we can possibly reduce the price of the sale now. We could, of course, cancel in default of payment, but in that case Mr. Lockwood would lose any payments he

Sir,

I beg to acknowledge the receipt of your letter of the 26th ultimo, in regard to the sale of the North East quarter of Section 29, Township 36, Range 20, West of the 4th Meridian, and in reply to inform you that the Department is unable to see any ground for re-opening this question.

The matter was fully looked into and the investigation showed that Mr. Ingram, who was in charge of the sale, had no option, in accordance with the practice ruling at the different auction sales, but to put up the land again.

Sir

In reply to your letter of August 2nd 1912 regarding the Sale of the NW quarter of Sec 29 - Township 36 - Range 21 West of the 4th Meridian. In which you state that the Department did not state that two bids had been made. In a letter dated Nov 11th 1910 signed by you. in which you state There can be no doubt that that there was a claim made. that there was another bid at the same time as yours) & gave this as a reason for Opening the Land for Sale (& you go on to state that the Officer in charge of the Sale agreed to accept the other Bidder's protest — the other bidder would have had grounds for complaint

Sir I ask you to recall this statement or withdraw it

The Officer in Charge of the Sale heard no bid, other than mine there was no noise to prevent hearing every bid that was made Someone must have heard the other bid if he had done so.

I have heard by documents signed by well known gentlemen that the man Power died, if this man had wounded Land in this district there was other Land on the same Section not used

Now Sir The claim was made after my understood Otherwise had been accepted by the Officer in charge of Fair

Mr Ingram Member for Leeds, this in his report to the Late Minister. He had Mr Chaque in his hand & laid it on the table.

As I have frequently told you the Late Government, under any Circumstances the Offering of Free Land was not legal tell how Bounty had been returned to Public Fund & should not do, does the Department instruct their Officers to act so. by Letters sent to Get a few Dollars, No wonder the Canadian Census is so unsatisfactory

You in your Letter states that the Department did not state that Land had been made on other Land, but merely that as another person claimed that he

As announced by the Auctioneer (immediately at any dispute between two Bidders then shall the Lot be sold again. Nothing to Deter a Person Claiming to bid, the Auctioneer has to know the bid. If this is allowed at Sale any Person Can upset every Sale that is made. Memorandum;

Please see letter, hereunder, from Mr. Lockwood, reiterating the statements he has so frequently made.

We have repeatedly told him that it is impossible for the Department to change the decision already arrived at in this case - that we must stand by the sale as reported by Mr. Inkram, in view of the latter's report that another bid was claimed to have been made, and consequently there was no choice but to put the land up again.

There does not appear to be any use answering these letters. Shall we simply ignore this ?

The Committee of the Privy Council have had before them a report, dated 4th May, 1921, from the Minister of the Interior, submitting as follows:

Application has been made by the Soldier Settlement Board of Canada to acquire by purchase the south-east quarter of section 33, township 41, range 24, west of the 4th meridian, at a valuation of $10.00 per acre; this being the valuation of the land as set forth by the arbitrators appointed for that purpose, and a certified copy of the arbitrators' award has been filed with the application.

Certified copy of a Report of the Committee of the Privy Council approved by His Excellency the Governor General on the [illegible] 1916

PRIVY COUNCIL
CANADA

DEC 22 1916
O. & A. LANDS BR.
JOS. P. D.

The Committee of the Privy Council have had before them a report, dated 6th December, 1916, from the Minister of the Interior, stating that the North East quarter of Section 11, Township 40, Range 23, West of the 4th Meridian was purchased at an auction sale of School Lands held at Lacombe on the 20th October, 1909, by Colonel E. L. Marryat.

The Minister further states that the payments on the land are considerably in arrears, and on the 18th April, 1916, Messrs. Muir, Jephson, Adams and Brownlee, Barristers, of Calgary, wrote to the Department of the Interior asking on behalf of Colonel Marryat that he be allowed to throw up the sale, forfeiting all moneys paid on account.

Before taking any steps in that direction, however, it was thought advisable to have the usual inspection made. The report of School Lands Inspector Drew has now been received. He states that Colonel Marryat is now deceased, leaving his interest in this land to his grandchildren, whose mother is also deceased. Mr. Drew also states that Mr. Walter Barlby, a son-in-law and Mr. U. C. Marryat are the Executors of the Estate. Mr. Marryat has, however, enlisted for overseas service.

Mr. Drew

The Honourable
The Minister of the Interior.

Mr. Drew further states that Mr. Parlby, the other Executor, informed him that the Executors wish to abandon the sale, as the Estate is not in a position to complete the purchase.

Under these circumstances, and as the payments are a long way in arrears and the sale is liable to cancellation, the Minister recommends that he be authorized to cancel the sale for non-fulfilment of contract.

The Committee concur in the foregoing recommendation and submit the same for approval.

Replying to your communication of the 6th instant, wherein you state that your records show the above land as having been sold to Messrs. Silas W. Moore and Paul A. As inquiries have been made with reference to an auction sale to be held in the Vermilion District, Alberta next spring, I am to request that you will be good enough to look into the matter and report whether you find it would be in the interest of the School Lands Department to offer the School lands in that vicinity at public auction next spring, and whether the pressure of other business in connection with the auction sales would admit of this being done.

In reply to your favor of December 1st. in regard to holding a School Land sale in the vicinity of Vegreville, Alta. during the coming spring, I beg to say that I do not thing that we will have time to prepare a sale for that district during the coming summer, as our time will be fully occupied with the sales already mentioned. We might, however, arrange a sale to take place at Vegreville during the fall. I was in Edmonton a short time ago, and discussed the matter there with the Dominion Land Agent and others, and they are of the opinion that next fall would be a better time to hold the sale than the coming spring, and I would therefore recommend that we do not prepare a sale for that point at the present time.

Dear Sir;-

I have been requested by several influential farmers in this District to write you, asking you to have a School Lands Sale in the Vegreville District sometime before next spring.

I am sure there could be a very successful sale conducted here as those farmers who have requested me to write you, are desirous of purchasing School Lands that join their present holdings.

Kindly give this matter your prompt attention, and oblige.

Sir:-

A short time ago I met the Hon. Mr. Rutherford, Premier of Alberta, and discussed with him the advisability of holding some sales in Alberta during the coming fall and he was of the opinion that we should hold four or five in the different parts of the Province. Two of the points which we decided on were Vegreville and Vermillion. I also talked the matter over with Mr. McKenzie, Agent of Dominion Lands, Edmonton, in regard to these two points and he informed me that there were a number of applications to purchase School lands in these two districts. I then talked the matter over with Jas. Holden, M.P.P, of Vegreville and he also said that he thought the lands would sell at good prices this fall. I therefore maped out two districts for Vegreville and Vermillion with the following territories:-

Vermillion sale, all the unsold School Lands in Townships 49, 50, 51, and Ranges 1 to 11 West 4th. inclusive, and for the Vegreville sale Townships 50, 51, 52, 53, and 54, Ranges 12, 13, and 14 West 4th. and Townships 51, 52, 53, and 54 Ranges 15, 16, and 17 West 4th. and Townships 53, and 54, Ranges 18, and 19 West 4th.

I have not yet decided on what other points in the Province at which we could hold sales but will look into the matter at an early date and send a report. I would therefore like to have at as early a date as possible a list of all the unsold School Lands in these two districts

Ref. 43489

Sir:-

I have had many applications for the purchase of School Lands in the district around Carmangay, in Southern Alberta, and the Railway is built from Lethbridge to this point. There are some very good lands in this district, and would sell at a very high price if offered. I would, therefore, recommend that we would hold along with the other sales, a small sale at Carmangay including the following district:-

Townships 11 to 15 inclusive, and East from Range 25 to the Bow River, all the lands in this district. I am enclosing you a map showing you the district.

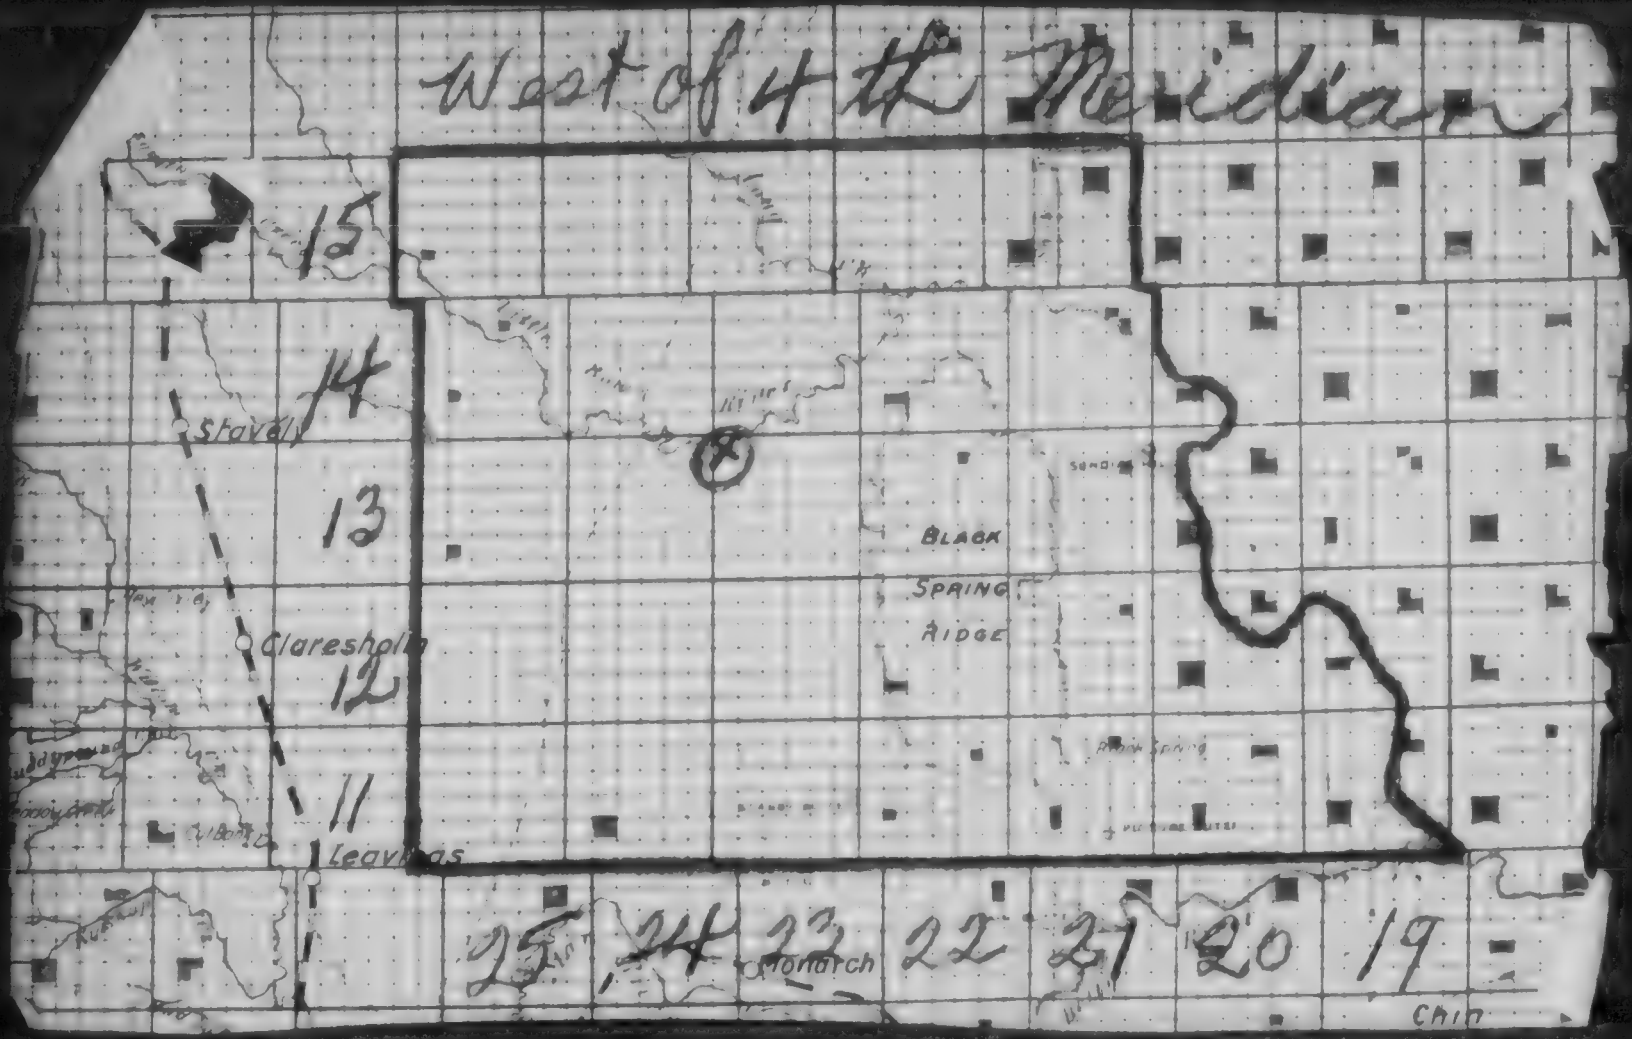

I would like to be furnished with a list of the unsold School Lands in this district as soon as possible, as Mr. Potts will be able to make the inspections in a short time. Some of these lands in Townships 11 and 12 were sold before but I do not know exactly which ones. I would also like to urge upon you the necessity of my being supplied with the lists of unsold School Lands in the Vermillion, Vegreville, and Yorkton districts, and also the sale West of Edmonton which was mentioned in your letter of April 15th. File # 36233. We will be able to get these five sales ready for the latter part of October, and probably another small one at Calgary which I intend to look into when I am up there. Kindly forward unsold lists as soon as possible for these sales.

Dear Sir:-

There are quite a number of school sections in the Beaver Lake District, of which Tofield is the centre, which have not yet been offered for sale.

Your Department have been holding sales in the different parts of the Province, having held one in Camrose a short time ago.

All the land open for homestead entry, except some very rough quarters in the hills, have been taken, and the Canadian Pacific Railway Company are holding their land in this district at a high figure, $22.50 per acre, which price is prohibitive to settlers and retards settlement.

The Board would urge upon your Department the [redacted] holding of a School Lands sale at Tofield this summer.

section 29, in township 50, range 18, and section 11, in township 51, range 19, are to be added to the Vegreville list.

If you think proper to accede to the request of the Board of Trade of Torield, we might add to the Vegreville list the School sections in townships 51 and 52, ranges 18 and 19, the limits of which I have outlined in black; or, if you think it better, we might continue westward the most southerly boundary of Vegreville district, as shewn on the map, which would take in township 50, ranges 15, 16, 17, 18, and 19.

This would, however, make the sale rather large perhaps, and possibly by adding the School sections in townships 51 and 52, ranges 18 and 19 the request of the Board of Trade of Torield would be sufficiently complied with, as Torield is in towns ip 51, range 19.

Memorandum:

It is proposed to hold an auction sale at Vegreville, Alta., as well as at Vermillion, Edmonton, and ~~Carman~~ Camrose, and the Government of the Province of Alberta has been asked for an expression of their views.

Hereto attached is a sketch prepared by Mr. Ingram, showing (outlined in blue) the limits of the districts for the Vegreville and Vermillion sales.

A letter is now received from the Secretary of the Board of Trade of Tofield asking that the School Lands in that neighbourhood be offered for sale this summer.

You will see from the sketch prepared by Mr. Ingram that the limits of the district outlined by him in blue do not include the land in the immediate vicinity of Tofield, the School sections in townships 50, 51, and 52, in ranges 17, 18, and 19 not being included.

We have informed him already that in response to an application made some years ago

Memorandum:-

You have approved of the auction sales to be held at Edmonton, Vegreville, Vermillion, and Carmangay.

Mr. Ingram now writes stating that from reports he has received of the crop situation in that district he does not think it would be advisable to hold an auction sale at Carmangay during the coming fall.

He states, however, that he intends to visit that part of the country before long, and will then report further in the matter.

He also reports recommending that a sale be held at Tofield as well as at Edmonton, Vegreville, and Vermillion, as the crops are good in that part of the country.

A letter has just been received from the Deputy Provincial Treasurer of Alberta, stating that the Government of that Province thinks that sales might be held at Vegreville, Vermillion, and Edmonton, as recommended, but that at present it might not be advisable to hold sales as far south as Carmangay.

This

The Deputy Minister,
Department of the Interior,
OTTAWA.

This agrees with Mr. Ingram's recommendation, but it might be well, in acknowledging this letter, to notify Mr. Trowbridge that it is also proposed to hold a sale at Tofield.

Sir,

I beg to acknowledge the receipt of your letter of the 14th instant, stating that the Government of Alberta is of the opinion that it would be advisable to hold auction sales of School Lands during the coming fall at Vegreville, Vermillion and Edmonton, but that at present a sale as far South as Carmangay would not be expedient owing to the severe drought in the Southern portion of the Province. In regard to this I am to say that a similar report has been received from the Superintendent of School Lands, and it has therefore been decided not to hold any sale at Carmangay during the present year. Preparations are, however, being made for sales to be held at Vegreville, Vermillion and Edmonton.

I am to add that an application has been made to the Department to have certain School Lands included in the Vegreville sale, but as the lands in question are some distance from Vegreville, it is contemplated holding an auction sale at Tofield in the neighbourhood of the lands applied for.

If your Government sees ~~no~~ any objection to the proposed sale at Tofield, I shall be obliged if you will advise the Department ~~in this matter~~ at once as soon as possible.

Sir,

With further reference to the Departmental letter of the 14th instant in which you state that owing to the report you have received from the Carmangay district you do not think it advisable to proceed with this sale for the coming fall, I am to say that a letter has just been received from the Deputy Provincial Secretary for Alberta stating that the Government of that Province concurs in the proposed sales [redacted] held at Vegreville, Vermillion and Edmonton, but does not think it advisable to hold one at Carmangay this year owing to the drought in the Southern part of the Province.

It has, therefore, been decided not to hold any sale at that point. Your recommendation that one be held at Tofield as well as Edmonton, Vegreville and Vermillion is approved, and a list of the unsold School Lands in that district will be forwarded to you as soon as possible.

Sir,

In a report received from Mr. Potts, Inspector of School Lands, he states that during the course of his inspection he found a school house erected on the South-east quarter of section 29, in township 51, range 6 west of the 4th principal meridian.

There is no record of any application from the Board of Trustees for permission to acquire the site on which the school-house is built, and I am therefore to request that, if you approve of the location of the school site, you will write to the Department recommending that the Trustees be allowed to purchase the site, and it will be sold to them at the minimum price fixed by the Act, namely $10.00 per acre, provided the parcel forms one regular subdivision and does not exceed four acres.

Will you kindly also furnish a description of the parcel, and at the same time give the name and address of the Secretary of the Board of Trustees.

The Department will be obliged by an early reply in the matter as this quarter-section is among the School Lands which it is proposed to offer for sale by public auction at Vermillion sometime next fall, and it will be necessary to reserve from the quarter-section the land to be acquired by the Trustees.

A letter is now received from Mr. Edward Nunneley, of Wetaskiwin, in which he asks that section [illegible], in township 46, range 24, and section 11, in township 46, ranges 25, 26, and 27 all west of the 4th principal meridian, be put up for sale at the auction sales to be held this fall.

The nearest point of sale is Torfield, but no lands are included in that sale district south of township 49 and west of range 20, so that you will see the lands now mentioned are a considerable distance outside the boundaries of that district, and I doubt, therefore, whether it would be advisable to include them.

Sir,

On the 13th ultimo a report was made by Mr. Potts of his valuation of Section 11, Township 51, Range 19, and Section 29, Township 50, Range 18, both West of the 4th Meridian. He then valued these sections at $7 per acre.

A subsequent report was made by him dated the 28th ultimo and in this he valued the North half of Section 11, Township 51, Range 19, at $10 per acre and the South half of the same section at $12 per acre and Section 29, Township 50, Range 18, at $8 per acre.

Please ascertain from Mr. Potts the reason for the change in valuation, unless it is merely an oversight, in which case state which is the proper valuation.

In the event of sales being held as requested their Commissioner also being of the opinion that the time was opportune for the sale of the lands mentioned and he, therefore, recommends that he be authorized by your Excellency-in-Council to hold sales of the school lands at Edmonton, Tofield, Vermilion and Vermilion Valley during the month of September, the dates to be determined later and the sales to be in accordance with the provisions of the Dominion Lands Act in regard to auction sales of school lands.

Sir:-

I beg leave to recommend the following dates on which to hold the sales of school lands for the coming Fall, viz:-

Vermillion, Alta.	Thursday,	October 27th.	1910.
Vegreville, Alta.	Monday,	" 31st.	"
Tofield, Alta.	Thursday,	November 3rd.	"
Edmonton, Alta.	Monday,	" 7th.	"
Yorkton, Sask.	Friday,	" 11th.	"

Kindly let me know if these dates are satisfactory, and if so I would like the printed lists and maps for advertising these sales to be here not later than October 1st. as we have a large ~~listing~~ mailing list now and would like to have these lists reach the different points some time before the sales take place, so that the parties attending these sales will have ample time in which to inspect the land.

I would like to have 1000 maps for each sale. Kindly send them all to this office and I will distribute them to the different points. Also send to my address at the different points of sale 200 lists. I think that there should be about 700 lists printed for each sale, this would leave 500 for distribution from this office, and 200 at the points of sale to be used on the day of sale.

Certified copy of a Report of the Committee of the Privy Council, approved by His Excellency the Governor General on the 16th September 1910

PRIVY COUNCIL
CANADA

48983

The Minister of the Interior states, under date the 23rd August 1910, that representations have been made to the Department of the Interior that it would be advisable in the interests of the School Lands Endowment Fund of the Province of Alberta to hold auction sales of School Lands at Edmonton, Vermeville, Tofield and Vermilion some time during the coming autumn as a number of applications have been received to purchase School Lands in that vicinity

The Minister is of opinion,- as the Government of Alberta have expressed their assent to the sales being held at the points mentioned during the coming autumn, and as the crops in that part of the Province are good,- that it would be in the interests of the School Lands Fund to hold sales at the points mentioned.

The Minister, therefore, recommends that he be authorized to hold auction sales of School Lands at Edmonton, Tofield, Vegreville and Vermilion during the coming autumn, the dates to be determined later and the sales to be in accordance with the Provisions of the Dominion Lands Act in regard to auction sales of School Lands.

The Committee submit the same for approval.

OFFICE OF THE INSPECTOR OF SCHOOL LANDS

Sept, 4th. 1910.

Sir,

I am enclosing a copy of a letter which I received from Mr. Chas. May of Edmonton asking to have the S.W.¼ of Sec. II Tp.49 Rge. 7 W of 5th, M. offered for sale at our next sale of School Lands in that vicinity. As the sale at Edmonton this fall will likely be the last in that district for some time , I would recommend that this land be offered at the Edmonton Sale.

As the sale is not a large one I would advise that we offer the whole of the section and would place a valuation of $7.00 per acre on each quarter as an upset price.

I have a report on this land and it is a pretty rough section with the exception of the S.W.¼ and only a portion of it is level.

I spoke to Mr. J.W.Greenway , Commissioner of Dominion Lands about offering this land at the sale this fall and he said he did not see any reason why it could not be offered at the sale at Edmonton .

I trust that this will meet with your approval and that it is not too late to be included in the sale .

Sir:-

As it will be about a month or less now until the time when we start on our Fall sales of School Lands I beg to ask that I be supplied with my same staff as in the past to conduct these sales, namely:-

Mr. W.T.Rollins of Ottawa, and Mr. J.C.Robinson of Winnipeg, as clerks, and MR. Geo. Walton of Winnipeg, to act as Auctioneer. I may say on behalf of Mr. Walton that he has done considerable selling for the Department in the past and has given very great satisfaction, and I would not wish any better an Auctioneer to act at the sales and sell these lands than Mr. Walton. He thoroughly understands the work and sells the land in a businesslike and satisfactory manner.

The Secretary,
Department of the Interior, 51759
Ottawa, Ont.

Sir,

About Oct. 1st last, I received from the King's Printer a letter addressed to the Vermilion Signal with instructions to publish an accompanying notice regarding a sale of School Lands.

The Signal is no longer published, but as my new paper, the Bassano News, circulates largely in the Vermilion district among the Signal's former subscribers, I thought you would approve of my printing the notice in the News, in order to give the sale publicity around Vermilion, and this I accordingly did. I now enclose the account.

Trusting my action in the matter will be satisfactory to you, I am,

Your obedient servant,

ALBERTA SCHOOL LANDS SALE

PUBLIC NOTICE is hereby given that auction sales of School Lands will be held in the Province of Alberta, as follows

Vermilion, Thursday, October 27th.
Vegreville, Tuesday, November 1st.
Tofield Thursday, November 3rd.
Edmonton, Monday, November 7th.
Yorkton, Friday November 11th.

The land will be offered in quarter sections and will be subject to the upset price mentioned in the lists. They will be offered without regard to any person who may be in illegal occupation of the same.

The Department reserves the right to withdraw any of the lands from the sale or to include any other lands therein.

The sales will only convey the surface rights and will be subject to the usual reservation in favor of the Crown.

TERMS OF PAYMENT

One-tenth in cash at the time of the sale and balance in nine equal annual instalments with interest at the rate of five per cent per annum on the balance of the purchase money from time to time remaining unpaid, except in cases where the area of the land sold does not exceed forty acres, in which case the terms of payment shall be one-fifth in cash and the balance in four equal annual instalments with interest at the rate of five per cent per annum. Scrip or warrants will not be accepted in payment. Cheques will not be taken unless marked accepted by the bank on which they are drawn.

Upon a parcel of land being knocked down, the purchaser shall immediately deposit the sum of One Hundred Dollars with the Clerk of Sale, otherwise the parcel will at once be put up again. For this purpose intending purchasers should provide themselves with marked cheques on chartered banks of Canada made to their own order and payable at par at the point of sale, or with bank notes of as large denomination as possible. The balance of the cash instalment must in every case be paid before the close of the sale, failing which the deposit of One Hundred Dollars will be forfeited and the land withdrawn from sale.

Lists and maps showing the lands to be offered may be had on application to the Secretary, Department of the Interior, Ottawa; to W. M. Ingram, Superintendent of School Lands, Winnipeg or to the Agent of Dominion Lands at Edmonton.

By order,
P. G. KEYES,
Secretary.

Department of the Interior,
Ottawa, 15th September, 1910.

ing year was again treated with tons per acre of rotted manure. This was plowed down and the land was prepared for the crop.

Plots were marked off and treated as follows:

Plot 1—Complete fertilizer, 1,000 pounds per acre.

Plot 2—Check, no fertilizer.

Plot 3—Lime, sixty bushels per acre.

Plot 4—Sulphate of potash, 300 pounds per acre.

Plot 5—Muriate of potash, 300 pounds per acre.

It had been noticed in some other work under similar conditions that muriate of potash seemed to have the effect of promoting the vigor of the plants. Fifteen varieties of cabbage were planted across the plots, nine varieties of French and six of American origin. The plants were set June 28. They started off nicely and grew well until the first week of August, at which time there were incessant rains, followed by bright sunshine.

All the plants on all the plots wilted down and only a few recovered. Most of those wilted died in a short time with black rot. A few lingered on, but did not make satisfactory heads.

HINTS FOR BEEKEEPERS.

If you expect to get a crop of honey take good care of your bees.

Don't imagine that you know it all and cannot learn anything by reading a bee journal.

In the production of extracted honey give seven frames in the eight frame super and nine frames in the ten frame.

Don't put on your supers before the bees are ready for them, as you gain nothing by doing so, but may render it harder for the bees to keep up the necessary heat.

The necessity of having a neat and attractive label with the name and address of the producer on every package of honey put upon the market is well understood by the enterprising beekeeper.

The long top bar is better for use in old homemade hives, as the metal spaced frames require accurate inside dimensions.

Bee culture cannot be carried on successfully without bees to effect fertilization through carrying pollen from one blossom to another.

The disposition of an unprofitable queen to store honey may be materially increased by giving

Gentlemen, -

With reference to your letter of the [illegible] ultimo enclosing assignment in duplicate from Messrs. Daniel J. Kelly and William J. Delaney in favour of yourselves covering all of Section 32, Township 34, Range 17, West of the 4th Meridian, together with a registration fee of $1.50, I beg to advise you that on the 31st idem receipt No. 1729 for the amount involved was forwarded to your address.

The assignment in question has now been registered in this Department under No. 4946 and the sales of these lands are now registered in your name.

Re: W. ½ of 20-37-17-4th Meridian.

I beg to inform you that the Department is in receipt of letter of surrender executed by you covering the above lands and said documents are receiving consideration but you will be further advised in regard thereto in due course.

Relative to your request to be advised, [illegible] the sales are cancelled, as to whether you may be permitted to lease said lands, I may state that when cancellation of the sales has been carried out, the lands will revert to the Crown but as there is a possibility of said lands being re-offered for sale this spring, the grazing and cultivation privileges will not be made available pending final decision in respect to the holding of auction sales this spring in the province of Alberta.

I might state that you are not entitled to the prior right to the grazing and cultivation privileges but if it is decided not to offer these lands for sale as pointed out, said lands will be available and the grant of Dominion lands at Calgary will be at liberty to accept and deal with, in the manner as provided by the regulations, the first duly completed application he received accompanied by the rental and office fee.

Dear Sir:

RE: [illegible] -11-[illegible]-West 5th Mer.

The above described land is surrendered Crown land under the jurisdiction of this department. This Caveat was dated June 6th, 1912, and registered on August 23rd, 1912, as Instrument No. [illegible] A.Z.

Our files covering this land note only [illegible] and as we are desirous of having this Caveat discharged and wish to investigate this matter fully, it would be appreciated if you would check your records to ascertain as to whether or not you still have the Dominion files covering this land, and if so, would you kindly forward them to this office at your earliest convenience.

Sir,

I beg to acknowledge the receipt of your letter of the 7th instant enclosing draft for $108.50 in payment of the instalment falling due on the 1st instant, and also your letter for $4.00, being for the registration of the instalment filed here by you from Spirit Lake to Arnco Valley of the Forest Reserve, Township 57, Range 4, West of fourth meridian.

In reply I am to inform you that the assignment from Arnco Valley Lumber Co. to Kelley, and the entry for same now stands in the name of Arnco Valley.

I return, herewith, one copy of the Deed with the certificate of registration endorsed thereon.

I also enclose receipt #82739 in favour of Mr. Kelley for the sum of $168.50.
